- I prefer bus trips that leaves the driving to the Chapter.
- I prefer to find my own mode of transportation and meet at designated places.
- I would attend an annual dinner and general member's meeting (not necessarily at a Lighthouse.)

I am interested in coordinating a chapter trip. Our trips do not happen if we don't have someone to help coordinate them. And, you, as the coordinator, and a guest "ride free." If interested please fill in the information below.

Now take a minute to give us some feedback on past trips and any ideas and/or suggestions you might have to improve future trips, i.e. Shorter trips, trips over long weekends, a week, etc.
